No. P 1. G.1. 5703/32-33 dated 8.3.1933.

Enquires if ~~L.S.T. Theory or U.S.T. Theory~~ applicants who have passed in L.S.T or U.S.T. Theory portion only can be preferred to new applicants possessing more General Educational qualifications, in the absence of full trained Candidates.

(A) Candidates that have not got the pass certificate of any examination are considered as not qualified for the posts for which a pass in such examination is prescribed as a qualification. In this light, unless the candidates possess the pass certificate of the L.S.T. or U.S.T. examinations, they cannot be considered as eligible for giving preference over other candidates who possess more general educational qualifications. The S.B.O. may be informed accordingly. Draft subd for appl^n or other orders.

I See the points raised & the points argued above.

But, is not the L.S.T (Theory) or U.S.T (Theory), a separate exam^n, in itself, & the Students who pass in it, get a separate Pass certificate? If so, how does (A) the reasoning in (A) above apply, (unless the L.S.T. complete is one) & when the a Pass in Theory, is he not to be preferred to one ~~who has not~~ without it the qualification

CHIEF SECRETARIAT.

No. 4707—*C. R. B.* 32-32-1, *dated* 11*th February* 1933.

It has come to the notice of this office that candidates for appointment in the Education Department who have passed only the Theory portion of the Upper or the Lower Secondary Training Examinations often enter "U. S. T." or "L. S. T." as their qualification in their applications to the Central Recruitment Board. As this is misleading, it is hereby notified that in future those who have passed both the Theory and the Practical portions of the said examinations should note their qualification as "L. S. T. Complete" or "U. S. T. Complete" while those who have passed only in Theory, as "L. S. T. Theory" or "U. S. T. Theory," in their applications.

By Order,

N. MADHAVA RAO,
Chief Secretary to Government.
